

# VTMUNC SUPPORT

## Financial Assistance Request Form

Financial assistance is available to assist those delegates who are not able to afford the registration costs associated with attending VTMUNC. Therefore, the VTMUNC Secretariat has discounts available through **VTMUNC Support** to help students who need financial assistance.

Discounts will be considered on a first come, first served basis. In order to spread the discounts as far as possible, we ask each delegation or individual delegate seeking aid to pay as much as they can afford. The VTMUNC Secretariat is committed to maintaining low registration fees so more students have the opportunity to compete. This commitment to low registration fees means that the number and amount of registration fee discounts is limited.

We will consider many factors when evaluating eligibility to financial assistance. Please submit a paragraph briefly stating any relevant information. These circumstances may include, but are not limited to death, illness, loss of compensation or other changes in financial position.

Applications for financial assistance must be made by the delegation's sponsor alongside a parent or guardian signature. If multiple students from a delegation request support, they are each required to submit a *separate* form. Financial assistance applications will be held in confidence between the sponsor and VTMUNC Secretariat.

Please note that delegations are responsible for financing any travel and lodging expenses, as our discount only applies to the fees associated with registration. The expenses that are available for discount are the delegation, registration, and sponsor fees.

**The VTMUNC Support application window will open in October and close on January 1. Applicants will receive a status update in mid January. We cannot guarantee VTMUNC Support for applications submitted after the deadline.**
